

GREETINGS FROM THE CITY OF ORANGE BEACH

On behalf of myself and the City Council, we would like to extend to you a warm welcome to the City of Orange Beach located on the beautiful Alabama Gulf Coast. As you can see, we are the daily recipients of beautiful sunrises and sunsets along the sandy white beaches neighboring the sensational Gulf of Mexico...that's why we say, "Life is better here."

In addition, we are landscaped with residents from all over the world who have chosen our beautiful city as their home. Don't forget the native residents who are full of history of a small charter fishing village evolving into the tourist hotspot of the Alabama Gulf Coast. Together, they bring cultural gifts to the table, and fill the city with engaging diversity.

You will find many dining facilities that celebrate the Gulf of Mexico's succulent sea foods prepared for the most discriminating palette. Shopping will be a delight with boutiques and shops stocked with items as original as the proprietors who own them.

For all of you who enjoy sounds of nature, we invite you to take an eco-tour through the Hugh S. Branyon Backcountry Trail for a journey in the flora and fauna of Pleasure Island. Other facilities of interest the City hosts are the art, adult activity, aquatics, golf, tennis, and recreation centers as well as the library, museum, and waterfront park.

Once again, welcome to the City of Orange Beach—we hope your stay is pleasurable. Please stop by and visit City Hall—your presence is always welcome.

Warmest Regards.

Tony Kennon

Tony Kennon, Mayor
